Are you a Hosting Service Provider, Managed Service Provider or VAR?

Our Hosting Partner Program (R1HPP) has special pricing available for qualified service providers.

Note:

Prices are a one-time perpetual license fee.

Retail price includes first year's maintenance.

Annual Maintenance is 20% of retail price after 1st year.

Agent license is required for each physical computer and some virtual machines.

Minimum purchase required for Hosting Partner Pricing.

Subscription pricing available for CDP Standard and Advanced Edition (NEW).

* CDP 3.0 Enterprise Edition does not include the MySQL Add-On. Add-Ons are licensed per CDP Agent (Windows or Linux)

All prices quoted are in U.S. Dollars

All prices are subject to change.
